Class Name: _____ Class Dates: _____
Date Confirmed: _____ Confirmed by: _____

Note: Depending on your departure airport, you may fly into **General Mitchell International Airport (MKE)** in Milwaukee, WI or **Dane County Regional airport (MSN)** in Madison, WI. General Mitchell is larger and offers more carriers, but Dane County is closer to the Enerpac facility located in Columbus, WI. A rental car is recommended, as neither airport provides bus or shuttle service to the Columbus location.

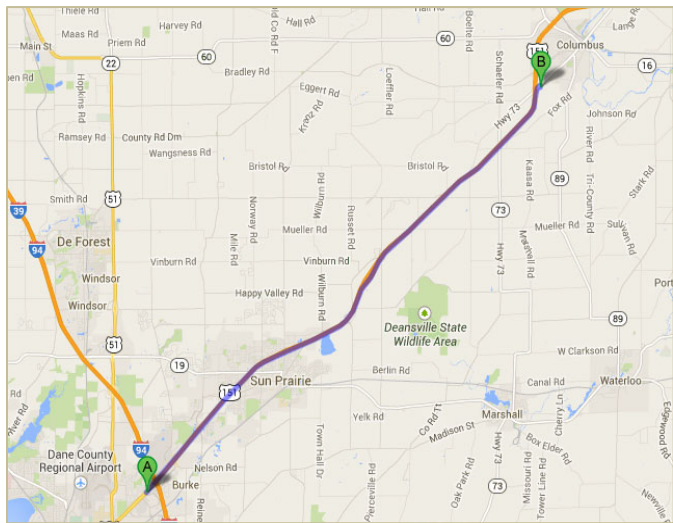

Directions: From Milwaukee, WI to Madison, WI

Exit airport, Follow signs for Interstate 94 W/Milwaukee, follow signs for Interstate 43 S/Interstate 894 Bypass/Madison/Fond du Lac, Take exit 317 on the left for Interstate 43 S/Interstate 894 toward Madison/Fond du Lac, Merge onto I-894 W, Take exit 1B on the left for Interstate 94 W toward Madison, Take exit 135C-B-A for US-151 toward Madison/Sun Prairie, Take exit 135B on the left for US-151 N toward Sun Prairie, Take exit 135A on the left to merge onto US-151 S/E Washington Ave toward Madison. You are now on the East end of Madison.

Directions: (approx. 20 minutes)

From East Madison, WI to ENERPAC facility in Columbus, WI

Take East Washington Avenue to Hwy 151 N. Take Exit 115 for Hwy 73. Turn right onto Hwy 73 from the ramp. In about 0.5 miles, turn right onto Heritage Way. In about 0.2 miles, turn right onto Gateway Court. The Enerpac building is straight ahead. There are two entrances - use the entrance on the right. Visitor parking is in front of the building. The actual address is: 199 Gateway Court, Columbus, WI 53925. The facility phone number is: (920) 623-5280.

Hotel Information: (Note: None of the hotels offer shuttle service to the Enerpac facility)

Madison Hotels (approx. 20 minutes from the Enerpac facility, see above map):

* Columbus does have one hotel in town, but we have been hearing bad reviews.

US Enerpac Academy Training Terms and Conditions

Definitions

Customer: A company requesting Enerpac Academy training; this could be a Distributor, Service Center; or end-user of Enerpac products.

Enerpac (a brand of Enerpac Tool Group): The US Enerpac Academy, planning and providing the training services.

Registration Process

1. For Scheduled Classes

The Customer shall request a Class Enrollment Packet, which includes registration information, forms, and training pricing.

The Customer will send the completed Class Enrollment Packet to Enerpac.

Enerpac will process the Class Enrollment Packet on a first-come, first-served basis.

Enerpac will send confirmation of enrollment in the class to the Customer.

2. For Non-Scheduled Classes

For classes not already scheduled, a Customer will request a training quote from Enerpac.

Enerpac will forward a Training Proposal with proposed dates and a training quotation to the Customer.

Upon acceptance, the Customer shall return a signed copy of the Training Proposal to Enerpac.

Enerpac will send confirmation of enrollment to the Customer.

Pricing & Invoicing

1. For Scheduled Classes

Pricing for Enerpac Training is listed in the Class Enrollment Packet. Enerpac reserves the right to alter the prices without prior notice. Prices do not include sales, use, excise, value-added (VAT) or similar taxes that may be charged to the Customer.

Pricing is based on class training at one of the Enerpac Training Centers in the Americas. Enerpac will issue an invoice to the Customer, which is payable as agreed in the Class Enrollment Packet.

Travel, accommodations and expenses for attendees are the responsibility of the Customer.

2. For Non-Scheduled Classes

Deviations to the training location are possible with prior agreement between the Customer and Enerpac.

Any deviations from the standard training location may result in additional costs for travel and lodging for the Enerpac trainer, as well as other costs. These costs will be estimated in the Training Proposal and the actual incurred costs will be invoiced upon completion of the training. Signing of the Training Proposal by Customer implies acceptance of these costs.

Cancellation

If the customer decides to cancel the training, Enerpac reserves the right to invoice Customer for any incurred costs (i.e. flight and hotel expenses). Additional cancellation fees may apply. Cancellation notice must be sent in written form and delivered by Customer to Enerpac with reasonable notice.

Good Conduct

Enerpac reserves the right to refuse, limit or cancel any Training if a Customer in the opinion of Enerpac has displayed unreasonable behavior or is deemed to be violent, abusive or disruptive. In such cases no refund or cancellation fee will be paid.

Copyrights

All intellectual property rights (including without limitation copyrights, patents, design rights and know-how relating to the course or course materials provided, and made available in connection with the course) remain the sole property of Enerpac. No copies may be made of course materials unless expressly agreed in writing by Enerpac.

Warranty

All information provided directly or indirectly through an Enerpac training course is provided "as is" without warranty of any kind.

Enerpac hereby disclaims all warranties with respect to this information, whether express or implied, including the implied warranties of merchantability, satisfactory quality and fitness for a particular purpose. No oral or written information provided by Enerpac shall create a warranty unless incorporated into these terms.

Limitation of Liability

In no event shall Enerpac be liable for any direct, indirect, incidental, special or consequential damages, or damages for loss of profits, revenue, data or use, incurred by you or any third party, whether in contract, tort or otherwise, arising from your access to, use of, or reliance upon information obtained from or through an Enerpac training course. Enerpac reserves the right to make changes, updates or corrections to the information contained in its training courses at any time without notice.

The Customer hereby acknowledges that:

- The Training Services are provided by Enerpac only for the purposes of raising awareness of the Attendees of the subject matter of the relevant training course.
- The satisfactory completion of any relevant training course by any Attendee will be subject to the Attendee's participation throughout the full duration of the training course and, where applicable, satisfactory performance by the Attendee of any relevant tasks or activities forming part of the training course.

Indemnity

Customer shall indemnify, hold harmless and defend Enerpac, including its agents, employees, subcontractors and/ instructors from and against all claims, damages, losses, and expenses (including attorneys' fees) arising out of or resulting from the Customer or Customer's representative's activities on the premises of Enerpac – or upon the Premises of Customer or at Customer's designated training location.

Governing Law

These Terms and any claim, dispute or controversy arising from such terms ("Dispute") shall be governed by and construed in accordance with the laws of Wisconsin (United States). The United Nations Convention on Contracts for the International Sale of Goods shall not be applicable.

Disputes

The parties shall first try in good faith to settle any Dispute by mediation, which shall be conducted in English and held in Milwaukee, Wisconsin. If mediation is unsuccessful, the parties shall submit such Dispute to binding arbitration, which shall be conducted by one arbitrator in English and held in Milwaukee, Wisconsin pursuant to the rules of the American Arbitration Association. The arbitrator shall have no authority to award any damages excluded in these Terms and the prevailing party shall be entitled to recover its costs including reasonable attorneys' fees.

General Condition

Submitting the Class Enrollment Packet or signing the Training Proposal will imply the Customer's agreement of and adherence to these Terms and Conditions.
